

CLASS NOTE TO PARENTS/GUARDIANS

Class Name:	Larch and Oak
Date:	12.6.18
Subject:	Production costumes

Dear parents and guardians,

As you know, the production is fast approaching! It's all getting very exciting now and the children are all doing an absolutely fantastic job – the classes never fail to surprise us as they continue to surpass all our expectations; a huge well done to the whole of Year 6!

Costumes...! We have had some conversations with the children regarding costumes and would like to keep it as simple as possible for you all. We will list the child's full costume, and will highlight in red the items that will be made at school. We will be creating masks, jewellery and props, so correct colours will be a key necessity for your child. However, if the children do want to be more creative, that would be fantastic! As soon as your child has their costume, please bring it into school, named, and with a hanger so that we are organised and the children can rehearse in costume.

Please contact a member of the Year 6 team if you have any questions or problems with sourcing costumes. In addition, if you have something at home that another character could borrow, that would be greatly appreciated.

Furthermore, we also have a fantastic production team that are starting to create props and sets for our production. If anyone has any cardboard or white flat sheets to help with this then that would be fantastic.

Thank you in advance for your support. We are excited for you all to see our spectacular production!

Kind regards,

Year 6 Team
