Subject: YN Our Amazing Animal World visit 15 May 2024

Dear Nursery Parents and Guardians,

We are very excited to announce that on the afternoon of **15th May** we have Our Amazing Animal World coming into school! They will bring a selection of animals and reptiles in to show the children, which will tie in with our focus in class. This will be a wonderful experience for the children to observe, handle and learn about a variety of animals and reptiles.

We are asking for a voluntary contribution for each child of £5.83 to cover the cost of the visit. You are not obliged to contribute and no pupil will be excluded on financial grounds, however if we cannot raise the total amount, the experience may have to be cancelled. If there are any difficulties in paying this amount, please speak to Mrs Lightbody or Mrs Johnson. **Please make payments via the Gateway App.**

If your child doesn't normally attend a Wednesday afternoon session, you are welcome to come for the visit as well, however, because of nursery ratios, you will have to stay with your child for the activity, be responsible for them, **and then leave with them when the activity finishes.** We will confirm the exact time the activity will start, but it will be at approximately 2pm in the afternoon.

If your child has any major fears or allergies of any particular animals, birds, or insects, please let us know.

Thank you

Mrs Ana Garcia
