Dear Parents and Guardians,

Bishops Down Mini London Marathon - Sponsorship

We are delighted to announce that during the week beginning the 22nd April we will be taking part in the 2024 Mini London Marathon here at Bishops Down. Over the week, the children will run/walk/wheel 2.6 miles (split up into smaller sessions) finishing up with their final mile during the afternoon on Friday 26th April. This is a fantastic opportunity which aims to promote physical activity.

Following on from last year's success, we will be fundraising for Bishops Down during this event. This year we will be raising money for new science resources to enhance our curriculum. For this event we are asking you and your family/friends to please sponsor your child for their mini marathon, with all monies to be paid via Gateway. The sponsorship page, called Bishops Down Mini London Marathon, will be open from Wednesday 17th April until Friday 17th May. There is no minimum sponsorship but we would like to raise as much as we can for the school.

Please ensure that your child has their P.E kit in school throughout the week of the 22nd April so that they can change before the event. The mini marathon will be run, walked or wheeled during the school day and children are to be collected as normal at the end of the day.

This event promises to be a fun and exciting opportunity to promote the benefits of exercise and for us all to come together as a school to raise some much-needed funds.

If you have any questions with regards to the Mini Marathon please do not hesitate to contact me via the office.

Kind regards,

Mrs E Parks
