

Dear Mrs Sheldon, Bishops Down Primary School has sent you a message

## **Severe Weather Warnings**

Dear Parents and Guardians

As you are aware the weather this week is predicted to be severe with low temperatures and predicated heavy snow.

Should Bishops Down Primary not open in the morning due to the ratio of staff, the site is deemed unsafe, or utilities are not working, we will let parents know by 7.30am on the website: [www.kentclosures.co.uk](http://www.kentclosures.co.uk). Updated information during the day will be on the school website: [www.bishopsdownprimary.org](http://www.bishopsdownprimary.org).

If you travel to school by car please make sure your journey is safe and do not attempt to travel if the roads are icy - please park on the main roads which will have been gritted. Coniston Avenue and Rydal Drive are not gritted and our advice to you is to not park on either of these roads but on Culverden Down.

Regards,

Mrs C Owen

Headteacher
