Subject: Y3 AND Y4 Coding Club for Terms 5AND6

Dear Y3 & Y4 Parents and Carers

Y3 & Y4 Coding Club

After Easter, I will be running a Coding Club on a Thursday morning between 8:00am and 8:45am. This will take place in the Year 4 classroom and will be open to children in Years 3 and 4.

We will be using BBC Micro:bits (small codable devices) to develop our skills in a range of ways. We will also be using the websites Scratch and Purple Mash to design and code games and other presentations.

Due to the number of laptops and BBC Micro:bits that we have, spaces in the club will be limited and given on a first come first served basis. Please sign up for the club using Gateway as normal.

Please do come and find me if you have any questions.

Regards

Andrew Milne
(Computing Lead)
