

Bishops Down Primary School : Y4 Sycamore class video dress up information

Dear Year 4 Sycamore Parents and Guardians,

Sycamore class will do the recording for the video for the School's 50th anniversary on 17th May and 18th May. The schedule is decided by the recording team for the whole school and it is quite tricky for a class to choose a certain time to have their recording done so please make sure for that week your child is definitely in for those two days.

Girls should wear their school summer dresses and have a big white ribbon bow for their hair.

Boys should wear their school summer shorts, a school jumper, a white shirt, long socks and a hat (the boys will have the hats on their desks so it will be alright if they are adult ones, e.g. flat caps).

Please do not buy anything specially for the video just send in all the props you have by Monday in a named bag, if you have any spare items that other pupils from class can borrow please send them in too, but don't forget to name them. We will make a list and have everything ready for everyone by next week.

Please find attached pictures as examples.

Thank you.

Best regards,
Maria Hutupasu
