

Bishops Down Primary School : Parent help please for some sewing!

Dear Parents and Guardians,

Are you able to do some basic sewing? Do you have any time to spare? Would you like to meet up with other parents for coffee and a chat while you are sewing? If so we would like your help making weighted cushions and lap pads for some of the children to use in school. These are simply pieces of material sewn together and filled with rice and beans that children with sensory issues find calming.

If you are interested in helping during the school day, and would like to support us, please contact Ellen Stock (Family Support Worker) estock@bishops-down.kent.sch.uk and she will let you know further details. All materials will be supplied by the school.

Thank you.
