Dear Y5 Parents and Guardians,

We have reviewed our approach to the Sex and Relationship Education lessons and we would like to inform you all of a slight change to the arrangements within the classes. The recent letter this week stated the children would be going into gender groups for SRE; however the children will now be taking part in the sessions as a whole class and will not be splitting into groups of girls and boys. We feel this is more appropriate; as all the sessions will be with their class teacher - whom they know well and are comfortable with. There will be question boxes made available for children to ask any questions they may not feel comfortable raising in the group; these questions can be written anonymously and then raised with the whole class.

Apologies for any confusion caused with this matter. If you have any concerns or issues with this change please do not hesitate to contact us.

Yours sincerely
