Dear Y6 Parents/ Guardians,

On Wednesday 13th June we are attending the rescheduled West Kent, Safety In Action at Invicta Park Barracks, Maidstone.

We would really appreciate some help from parents for this trip which will leave from the bottom of Rydal Drive at 11:00am and we will depart the venue at 14:45 at the latest to get back to school for around 16:00. You would need to bring a packed lunch and sensible shoes as the event is being held outdoors.

Please can you let the Office, Mr Wyke or Mrs Naismith know if you are able to help and would like to come along with us on this trip.

**Thank you to those parents that have already confirmed they can help, however we still need more help for this to go ahead.**

Kind Regards

Simon
