Dear Parents/Guardians,

Y6 SEX AND RELATIONSHIPS EDUCATION

The Personal, Social and Health Education (PSHE) curriculum over Term 5 includes sex and relationship education. In year 6, pupils will learn about the following:

- Making choices, being responsible.
- Responding .to the media and advertising, stereotyping.
- Keeping myself safe and healthy.
- Growing up, understanding and coping with mood changes.
- Empathising and coping with strong feelings, considering what love is.
- Changes and puberty.
- Sexual relationships.
- Contraception and sexually transmitted diseases.

The programme offers practical guidelines for the development of self-esteem and helps children to make informed decisions about friendships, relationships and behaviour. The sessions will be taught separately – boys and girls will not be mixed.

Mr Wyke will be teaching boy only sessions and Miss Stock girl only sessions. The lessons will take place over the course of the week beginning 22nd May.

As part of the sessions, a video will be shown. Should you wish to view the video prior to the sessions, there will be an opportunity to do so at 3.30pm on Thursday 18th May. Miss Stock will be happy to answer any questions about how these issues are taught; you can contact her in any of the usual ways. All issues are discussed sensitively, following our published policy as well as County and National Curriculum guidelines.

We do hope that you will support this important element of our curriculum.

Please return the slip below, acknowledging your receipt of this information.

Yours sincerely,

Mrs Owen
