

CLASS NOTE TO PARENTS/GUARDIANS

Class Name:	Y6 Larch and Y6 Oak
Date:	20.4.17
Subject:	Y6 Production
cc:	Office

Dear Parents and Guardians,

I'm delighted to let you know, that preparations for the Y6 production have begun. We have been busy looking into various productions that we feel would be perfect for our current cohort and we are sure that both you and your child are eager to find out which musical we will be doing!

Good quality, well-known musical productions do require a cost, averaging around £500.00. This is the only way to legally perform a copyrighted musical, to ensure that we do not violate Copyright Law. This also covers artist's royalties, which must be honoured and paid. A licence provides us with the full script, score and other materials necessary for putting on the show. I am sure you will agree, that last year's production of 'The Lion King' was exceptional and we would love to maintain the standard for this year with another high-quality production.

Unfortunately, we have very little budget for the Y6 Production; therefore, we must rely on voluntary donations to proceed down this particular avenue. Therefore, if you would like to contribute, please pass your voluntary donations using ParentPay by Monday 1st May. We suggest a donation of £5 per child, however you are not obliged to give in anyway, as we understand that this isn't possible for everyone. If you would like to be involved in the rehearsals of the production (staging, props, and acting, singing...) please do get in touch – we would love to have you and utilise your skills!

Thank you in advance for your understanding and support.

Kindest regards,

Miss Stock and Miss Ritchie
