

Wrap Around Care News

Welcome to Term 1

Once again, we had a fabulous time at the Summer Play Scheme. Some interesting visitors attended including The Wiggly Wild Show, Adam Smith the magician, The Sand Art company and many more. We enjoyed a different topic each day, chosen by the children in Breakfast Club including fidget spinner day, a bouncy castle, a talent show and water play—we all had a fabulous time! During the holiday the staff worked extremely hard preparing to meet the criteria required for a food hygiene inspection. I am very happy to tell you that the inspection went extremely well and the hard work was rewarded. We received the highest grade available which is a '5'. The team will now be working hard to offer delicious, healthy and well cooked food for the children in Breakfast and After School Club. As we become more experienced in our provision we are hoping to involve the children in the preparation and serving of the food. We also aim to grow some of our own food in the near future. If your child attends Wrap Around Care and would like to eat with us please contact us to arrange this. They would be very welcome.

We are very pleased to welcome three new members of staff to our team. All working as Teaching Assistants at Bishops Down and they are: **Mrs Fahey** working in Redwood Class; **Miss Bailey** working in Sycamore Class and **Miss McCredie** working in Beech Class.

I would also like to introduce to you **Mrs Stannard** who joined us earlier in the year as a permanent member of Wrap Around Care.

All of these staff members have previous experience working with children and will all be positive additions to our already excellent staff team.
