

Year 6 Spring Class Plan

Maths

In Maths, we will be looking at ratio, algebra and fractions, decimals and percentages.

Picture	Fraction	Percentage	Decimal
	$\frac{1}{2}$	50%	0.5
	$\frac{1}{4}$	25%	0.25
	$\frac{1}{5}$	20%	0.2

English

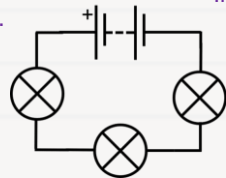

Reading: In Reading, we will be studying *The Wolf Wilder* by Katherine Rundell.

Writing: In Writing, we will be studying how to make instructional texts, as well as how to write and develop a narrative.

Science

In Science, we will be studying electrical circuits and their components.

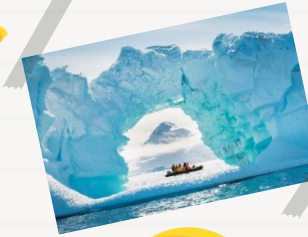

Music

In Music, we will continue to explore rhythm and pulse alongside learning how music is composed.

Humanities

Geography: In Topic this term, which encompasses many of our subjects, we will be studying *Frozen Kingdoms*. This entails latitude and longitude (physical geography), as well as tourism and climate change (human geography).

R.E.

In R.E. this term, we will be studying what different religions think will happen during challenging times in life, and after life ends.

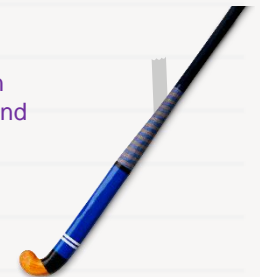

Art and Design

In Art, we will be studying significant Inuit artists, and creating our own carvings.

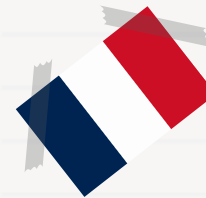

P.E.

In P.E. this term, we will be learning the core skills of hockey. In gymnastics, we will be studying rolls, inverted movement and balance.

French

In French this term we will be revising content from previous years.

Computing

Our computing focus for this term will continue to be coding, before moving on to online safety and blogging.
