16<sup>th</sup> March 2012

Dear Parents and Guardians,

## **Ofsted**

You will see attached with this letter an additional letter informing you of the forthcoming inspection by Ofsted on Tuesday and Wednesday of next week. The school was informed about this today, though had been expecting it!

I am writing to encourage you to take part in the process. You can do this by completing and returning the questionnaire that you have received today. You can collect copies from the school office or have the documents emailed to you on request. I would encourage you to fill it in so that the inspectors can have a broad and balanced view about your feelings. Sadly, on these occasions it can be the contented majority who don't respond!

Forgive us if things are a little out of the ordinary next week. You will appreciate that with late nights and early mornings and a lot of data/paper to compile; all staff will be rushed off their feet. We hope that normal service is resumed as soon as possible.
