Dear Parents and Friends of Bishops Down,

Week 4 Newsletter

Another week has passed and I can safely say that the children are now well settled into their new classes and their new routines. We welcome the oldest Reception children who stayed for their first full day on Monday.

Year 6 visit to French Theatre at Rose Hill School

On the 16th September we went to Rose Hill School to watch a play by a french man called Dan Roro in Rose Hill's brand new theatre. We had lots of fun watching Dan do tricks using magic.

George

The theatre was really sophisticated.

Alex

New words I learned: Château, Bistro, beau, Monsieur, Maintenant, Menu

Amy

Dan Roro was: Funny, exciting, clever, good at tricks, good at acting.

I learnt that: French isn't boring and you can learn a lot from French.

Oliver

One of the cleverest bits was when he spoke to the puppet without moving his lips!

Phoebe

I thought the cleverest part was when he had two wooden sticks and a metal pole and did tricks.

Freddie

It was funny when he kept on coming up to Cameron and saying "I've got an idea!"

Fran

The funniest bit was when he was going round with a hard boiled egg showing it wouldn't break and then he accidentally cracked one that wasn't hard boiled and it went all over the boys head.

Milo

(The egg was fake and filled with water! –Mrs Smith)

Praise play

Several parents have been asking what Praise Play is. Every week each child is given ten credits. If they keep their credits, for example for good behaviour, meeting class targets, being helpful etc. then they get to take part in Praise Play. This is 30 minutes at the end of a Friday afternoon when afternoon lessons have finished. The children get to choose an activity that they want to do. Activities are chosen by the school council and include games, art, ICT, extra playtime, parachute games. The activities are chosen by the children as it gives them more of an incentive to keep their credits. Children who lose two or more credits lose their Praise Play. Praise Play is very popular and the children strive hard throughout the week to keep their credits.

Turning circle

Thank you to everyone who has been making an effort not to park in the turning circle. However, there are one or two people who still think it is acceptable to park there. Just for clarification the turning circle is the area of road (Rydal Drive) right at the bottom of the school drive. Parking in this area jeopardises the safety of our children and is also illegal as it has a single yellow line. A traffic warden patrols it regularly.

Recorders

We have now organised the groups for recorders, and a separate letter will be going out to advise you of your child's session. Please note that your child needs to have their own recorder, which should be named. Sessions will begin next week.
