

March Newsletter

Spring is almost here and we are really enjoying the warmer evenings and staying outside longer each day! We had a fabulous time in February half term despite the weather, as you can see from the photos above, we also had fun with winter Olympic activities. We enjoyed some curling and ice hockey and also (a bit early!) creating our own pancakes!

I am thrilled to share the poster for the upcoming Easter Holiday Club! Of course, we will be baking again! There will be lots of Easter craft activities and it wouldn't be Easter without an Easter egg hunt! As usual the club gets very busy so please book your places fast and feel free to invite friends from other schools to join us!

Our Play Worker Bees!

Our Play Worker Bees are so fun and friendly! They ensure that the children who come to The Beehive have a fantastic time. They are always on hand to offer advice and support to the children implementing activities and playing alongside them. Between them they have a wealth of knowledge and skills which are used to create unique and engaging activities including crafts, cooking, Forest School activities, games and much more!
