

Beehive - May 2023

Newsletter

Both Breakfast and After School clubs are incredibly busy at the moment so I am trying to run some additional small clubs within Beehive to allow more children to book. If you know your child is not able to make a session please do let us know, because if we can rebook it I am sometimes able to credit your account subject to notice given.

We are starting to enjoy spring at last and the children are loving the outside! We had a lovely Easter Holiday Club and managed to get the bikes and scooters out again which the children thoroughly enjoyed! We were so very lucky with the weather most days. We loved making our Easter bonnets and did lots of Easter craft. The Easter Bunny visited and the children ran around the school for the Easter Egg Hunt! Drama Nuts was a huge success the children of all ages came out buzzing and full of confidence! Tara visited us to do Forest school and the children loved fire toasting marshmallows and making smores!

The May Holiday Club is now open to book plus next week and we will also open next term!

This club is now incredibly oversubscribed so you must book straight away! Every single evening except Friday is full for the whole term and even breakfast club is now almost fully booked each day. This is great news as the club is popular but means some regulars are not getting their spaces so please, please book now I cannot be so flexible next term as the numbers are so high!

I am thrilled to share the poster for the upcoming May Holiday Club, which will of course take on different themes each day. Due to the increased number of children using this club please book your places early and feel free to invite friends from other schools to join us!

We are very keen for new staff to join us, so if you know of anyone over 17 who would like to work in the evenings or mornings or holidays we are a very friendly bunch and would love to hear from you.

Also our policy for cancellations has always been a week's notice just so we have the correct ratio of adults to children. I have been very flexible but as the clubs are getting busier I need to be careful as I really hate to turn away people when we get full as I know how much some of you need this club. I also want to be clear with the session timings, if your child is booked in until 5.15 they must be collected at this time, I have to send staff home at this time, so if you come 5 or 10 minutes late it affects my staffing and you will be charged for a full session. The same with 6pm if a child is not collected when we close (6pm term time 5.30 holidays) there is a fine and then a charge for every 15 minutes, so please contact us if you know you are going to be late.

Thank you all so much for your continued support and your kind words, I love getting to know you and your children every day and enjoy how much this club feels like a family. Come on summer!!
