

Beehive Summer Newsletter

Summer is coming and we are really enjoying the warmer evenings and playing outside every day! We had a fabulous time in the May holidays as you can see from the photos above we had fun outside for our Jubilee Party. We loved making some cakes and some jubilee biscuits for our street party! And of course we enjoyed lots of craft!

The summer holiday club is now open to book, please take care as there are now 2 clubs. EYFS for all children in Nursery and Reception and KS1 & KS2 for the other year groups. This is due to the pricing changes we have had to incorporate due to the increase in staffing required to supervise the younger age group. This will be continued into next year where over the summer you will see 2 new clubs appear (see below, the new price changes for EYFS only).

The Beehive Prices			Holiday Club

I am thrilled to share the poster for the upcoming Summer Play scheme, which will of course take on different themes each week, I am trying to get some people to come in for special days and will let you know about these as soon as I can! Due to the increased number of children using this club please book your places early and feel free to invite friends from other schools to join us!

A few reminders we are getting very busy now in clubs in particular Tuesdays and Thursdays so please bear this in mind for September and try to book a term ahead if you can! The cut off for booking Beehive is midday the day before so please remember to book for your sessions particularly on a Friday before Drama Nuts! Also our policy for cancellations has always been a week's notice just so we have the correct ratio of adults to children. I have been very flexible but as the clubs are getting busier I need to be careful as I really hate to turn away people when we get full as I know how much some of you need this club. Once again thank you for all the support and flexibility you have given us over the last few months when we have been stretched with staff! You will see some new faces in the club and I would like to introduce you to all our team: -

I cannot believe I have run this club for almost a year now, and what a roller coaster we have been on, you have been incredibly patient with us when everyone was sick and through Covid times!! You have welcomed me into The Beehive family and I can safely say I love my job and all your fabulous children! You don't really get to know the children as well in class as you do in Beehive and my favourite part of the day is in Breakfast Club when we show and share, every morning! I love to see the confidence grow as the children become comfortable in the club and they share their achievements, stories of sleepovers that sleep did not happen, Sports wins, and random stones that were found on the way in. This club feels like a big family and I love it, so thank you for a fabulous first year, which has become a very, very busy club and an amazing place to work! I have employed lots of new staff from all ages and backgrounds and I hope you agree they are fabulous and I love to watch how they interact with the children and love their jobs like me! On that note I would love to know what has gone well this year and any ideas for improvements so I have attached a link to a questionnaire, as I really want to hear from you and your children!!!

Pleas for Toys and Games

The children have been busy creating a wish list for some new toys and games. If anyone has any of the following that they would be willing to donate, we would be extremely grateful. A huge thank you for the donations we have already received the children get so excited!

We would love: -

- Water pistols
- Small cars/vehicles
- Giant garden games (Jenga, connect 4 etc.)
- Jurassic world toys
- Scooters or ride on bikes
- Outside equipment, skipping, ropes hoops, balls

Thank you
