

Beehive

Photograph Permission

The use of photographs is an important developmental tool which is widely used in play and educational settings for recording, sharing and displaying activities that your children have undertaken. At Beehive we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent. Your child's photo will never be used by us on social media.

Images of your son, daughter or their work may be used for the following purposes:

- Electronic and printed displays and exhibitions at the Club (eg photos of activities)
- Observation and assessment of my child's progress
- Club records of my child
- To accompany staff or student coursework
- Club's website page
- Local newspaper or magazine (Images will not be accompanied by child's full name)
- Other organisation's website
- Information leaflets about the club. And other external advertisements (children's names will not accompany pictures)

Personal details or names of any child in a photograph will never be given in such a way that would allow them to be individually identified (except when used in the child's own records).

Image will NOT be used for anything which may be viewed as negative in tone or that may cause offence, embarrassment or distress for the child or their parent or Guardian.

There will be no payment for my child's participation.

- I do give** permission for appropriate photos/images and videos of my child or their work to be taken and used for internal and external purposes
- I do not give** permission for Beehive to take or use photos or videos of my child or their work
