

Reading Newsletter Spring Term 2020

Thank you to everyone's creativity in their costumes for World Book Day! We had a wonderful range of costumes from "love is in the air" to "edible" (a pizza box!) and we were blown away by the response! Throughout the day, we all enjoyed "stop, drop and read" when the bell rang which caused much hilarity!

We are proud to be launching our social media initiative for Reading at Bishops Down. Its tags are #BDBD which is abbreviated for #BishopsDownBookDiscoverers. Follow us to find out more and please share!

Thank you to the Grandparents who came in and read stories with the children – we all loved it!

Our Travelling Book Fair was another runaway success! We are hopeful that a record amount of children bought books at the fair and will enjoy reading them. Perhaps they would like to make a book recommendation to the rest of the school? Please speak to Mrs Holliday!

~ ~ ~ ~ ~

We would love to make Bishops Down a community of people who love books. Do you have a favourite book that you would recommend to our community? Do you know a poet or an author that would be willing to be the Bishops Down Poet, or Bishops Down Laureate?

Please let Mrs Holliday know if you can help with this!
