Subject: Reception house badges

Dear Reception Parents and Guardians

Your child has come home today with an envelope containing a small, round, coloured badge which is their house badge.

The badge is to be worn on their school uniform and is a representation of which house they belong to. The house badges allow all the children in the school to recognise children from their house and form bonds with the children in their house community. House points are earned in class, and recognised in Friday Celebration Assembly.

There are four houses at Bishops Down - Coniston (yellow), Derwent (blue), Thirlmere (green), and Rydal (red). Your child will stay in the house they are allocated to for their whole time at Bishops Down. We ensure that siblings are always in the same house, as this helps parents at occasions such as Sports Day.

If your child loses their badge, replacements can be bought through Gateway.

Regards
Miss Skipper
Reception Class Teacher
