Date: 9<sup>th</sup> December 2021

Subject: **LFD tests for visitors**

---

Dear Parents and Guardians,

As a result of implementation of Plan B of the Government's COVID-19 response, the Department of Education have revised their guidance for schools and Early Years settings.

**As from today schools are encouraged to ask all visitors to take an LFD before entering the setting.**

So once again we are asking for your patience and understanding when it comes to attending the Christmas performances over the next week. In addition to asking all adults to wear face coverings and sit in numbered, distanced seats, we now need to add the request of taking an LFD before entering.

You have always been so supportive of the measures we have had to put in place during the pandemic, so we know that we can rely on you to follow this latest guidance. Together we can keep our school community safe in the run up to the Christmas holiday.

Thank you

**Clare Owen**  
Headteacher
