Subject: Cross Teach – Year 6 Only

Dear Year 6 Parents,

As part of the RE curriculum we have arranged for the company Cross Teach to come into school and deliver an 'Easter Experience'.

The aim of this session is to enable the children to understand why Christians celebrate Easter and to critically respond to what has been taught.

The Easter Experience is delivered in a creative way through a murder mystery style investigation, the children travel around different zones in small groups to gather clues and evidence to help them understand what a Christians believes happened at Easter.

Cross Teach will be coming into school on the Morning of the 28th March.

Thank you.

Mrs Kyte
RE Co-ordinator
