Dear Parents/Guardians

Use of Photographs

I am currently at the University of Greenwich studying a Foundation Degree in Supporting Teaching and Learning. As part of my course I have been asked to compile a detailed portfolio illustrating how I, as a Teaching Assistant, support the pupils to access the curriculum.

I would like to include photographs of pupils working both with me and in small groups. **These images will be viewed by myself and the University moderators only.** Below is a consent form for you to complete detailing whether or not you wish your child's image to be used.

Please can all forms be returned to school by Monday 26th March 2018.

Thank you in advance for your support.

Regards

Sarah Marriott
