8th March 2019

Dear Y1 to Y6 Parents and Guardians

Science Week – Exhibition – Friday, 15th March

To celebrate the learning that will take place during **Science Week** we would like to invite you to '**Bishops Down's Fantastic Journey into Science**' exhibition.

This will be taking place on **Friday 15th March from 2.30-3.00pm** with each class (Y1 to Y6) showing off what they have learnt. You will be able to walk around the stalls to see what each class has discovered and there will also be an opportunity for you to have a go at one of the activities too!

Each class will nominate 5 ambassadors to represent their class during the exhibition - please note that your child may not be in the hall but examples of what their class have been working on will be on show.

If you would like to attend the event please sign up using the School Gateway App, under the News and Events tab, and then when you are in the Parent Evening Booking section go to '**Bishops Down's Fantastic Journey into Science**' exhibition – and book your place!

If you have any questions relating to the exhibition please send me an email via the school office.

Kind regards

A handwritten signature in blue ink, appearing to read 'E Parks'.

Mrs E Parks
