FUNDRAISING UPDATE

As we reported after the Christmas fair, our Christmas fundraising totalled £3,642, which coupled with our fundraising before Christmas has meant we have raised nearly £5,000 since September. We are liaising with school to help fund some phonics training and are keen to contribute towards enrichment within school for all our children to give them experiences in school they won't forget!

Please join us! We have some really exciting plans for later in the year (including working with school to help run a mini marathon and with Beehive to organise an end of year disco for all children) come along to our EGM or email us to find out more.
