

Primary School Sports Premium

Estimated income 2018/19 (based on 2017/18 income)

£18,000

Summary

The school is estimated to receive approximately the same Premium for academic year 2018/19 than last year however as of 28th September 2018, this has not yet been confirmed. We estimate in the region of £18,000 in Sports premium. Specialist teaching time for PE is now 2 days per week rather than 3 due to our falling roll. Time has been allocated for our specialist teacher to coach class teachers.

Our main aims and outcomes at Bishops Down Primary School are to:

- increase the number of pupils engaged in physical activity;
- increase the confidence, knowledge and skills of the staff that teach PE and sport;
- raise the profile of PE across the school;
- increase the range of sports and activities offered to all pupils;
- increase participation in competitive sport;
- improve children's holistic wellbeing;
- nurture the social and leadership skills of the pupils.

We are focusing on sustained impact by building capacity and capability amongst our staff members. We aim to improve staff confidence to ensure that PE is taught at a high standard. We are also providing quality resources to enable access to a wide curriculum of physical skills.
