2<sup>nd</sup> March 2012

Dear Parents and Guardians,

## **Virtual Learning Environment (VLE)**

As many of you know, we have recently introduced a new home learning tool called a VLE. A launch event for the VLE is planned for parents on Tuesday 27<sup>th</sup> March at 7.00pm. Please see the separate letter which went out about this, and return your reply slip to the office if you wish to attend.

## **School Meals/Packed Lunches**

As you are aware, Bishops Down has been recognised as a Healthy School for some time now. As part of our focus on these standards, we teach the children about the importance of a healthy balanced diet. In recent months we have noticed a steady increase in chocolate snacks and crisps. We would really appreciate your support in promoting healthy eating options with your children.

We teach the children that there is no such thing as 'bad' food. Foods high in sugar, fat or salt should be limited to the weekends for example. We also encourage healthy foods to be seen as treats. The Government has stated that school meals must be free from foods such as chocolate bars and coated items, (e.g. chocolate biscuits), crisps and foods which are high in salt/sugar/fats. Our school adheres to these requirements and this includes all food eaten in the school day, such as school dinners and children's packed lunches. Therefore, none of the above items should be provided by parents as part of their child's packed lunch. However, we do want children to enjoy eating and so it is reasonable for cake, flapjack and biscuits etc. to be included in packed lunches.

As you know, children in Foundation Stage and the Infants receive free fruit each day. In order to maintain this healthy start to school life we also operate a 'Fruit only snack' policy in all junior classes. We will remind children of these rules in school.

## **Nut Products in School**

You will be aware that many children have moderate to severe allergies to nuts. As a result, the school has traditionally operated a no nut policy for lunches, so please check for products containing nuts and remove them from packed lunches. This does not stop children having a nut free cereal bar. Thank you for your co-operation.

## **School lunches for Parents**

## **Walking to school**

For many years we have taken pride in the proportion of pupils who walk to school or do not drive. I am still keen to reduce the number of pupils who drive to school and to explore ways to do this. I will be hosting an informal coffee morning on Friday 27<sup>th</sup> April at 9.00am for this purpose and invite anyone interested to come along. Alternatively, you may wish to just pass on your suggestions via e-mail.

### Attendance and absence during term time

In response to an increasing number of enquiries about requests for holiday absence and concerns about attendance, Governors have been discussing whether our school policy on attendance adequately reflects the legal requirements, our own school situation and what is going on in other primary schools locally and nationally. In consultation with the local authority they have now written a new policy for attendance. You can view a full transcript of the policy on our school website if you go to [www.bishopsdownprimary.org](http://www.bishopsdownprimary.org) then follow the links to information and school policies.
