Sporting Success

On Monday, we took seven children to the first cross country event of the season at Skinners School playing fields. As cross country should be, it was muddy! The children can all be very proud of their performances and we were particularly impressed with their determination and perseverance. In the girls' race, Mabel came in second place, which was matched by Oliver in the boys' race. All the other competitors came in the top 30 - very impressive! Thank you and well done to everyone who took part.

Parent Consultations

Parent Consultations are taking place on Tuesday 28th November and Thursday 30th November, 3.30pm to 6.30pm. Please sign up for your preferred slot using the School Cloud, accessed via the Gateway App. Information on how to do this can be found on the email sent out on 6th November.

Scholastic Book Fair

The book fair is returning! It will be at school from Friday 24th to Wednesday 29th November. This is a great way to get the children reading, but also to help the school to buy more books, so please do come and have a look after school each day. Unfortunately we are not able to take cash payments for the books, so please bring your phones to scan the QR code and have card details ready to make an online payment!
