Sports Day - 2nd July

Sports day is rapidly approaching and you need to be aware of arrangements for this event. We have changed the content considerably from last year following feedback from the parent reps group, letters and from parent questionnaires. Sports day will start at 9.30am and finish at approx 11.45a.m. This will be followed by a picnic for all the children and any adults attending. Children who already have school dinners will be provided with a picnic lunch by the kitchen. Those children who normally bring packed lunch should bring a packed lunch into school. We would encourage you to join us for the picnic. You will need to bring rugs and chairs to sit on throughout sports day as children will be moving around the events taking place in the field. In contrast to previous years we will end with only a few track races.

School Discos

Children will be bringing home a letter about the school discos which take place on Thursday 16th July. Please look in book bags for this.
