

BISHOPS DOWN PRIMARY AND NURSERY SCHOOL

June 24h 2022 week 32, Term 6

Dear all

This week we welcome Davyd and his mother Yuliia from Ukraine. Davyd has joined year 1. We held a coffee and cake social event last week for all of our new Ukrainian families; the host families commented on the warm welcome and support from the school and other parents.

Notices

School Lunches

This is a reminder to parents that they need to select the days their child is eating, when they book and pay for lunches online. Some parents have got into a habit of paying money to their child's school lunch account, and not selecting the days this relates to, which results in their child not being on the teacher's lunch register each morning. The admin team have to manually add the child to the system and check there are funds already paid for that day, before the orders go to the kitchen.

There may be a situation where parents have paid money onto their child's account and they are not sure when they will be eating. If this is so, please can parents still go onto Gateway before 8am on the day they do decide to eat, and just tick the date – the funds will come from any credit held, and the child appears on the teacher's lunch list with no further action required by teacher, admin or kitchen. Thank you

Nursery Class on a mini beast hunt!

On Thursday, a team of Y5 & Y6 girls and boys took part in the annual Tunbridge Wells Swimming Gala. This was the first swimming event they had taken part in and, understandably, there were a few nerves. However, in true Bishops Down style the children overcame these and performed fantastically. We are every proud of all who took part, well done!
