Behaviour Policy

At our Inset day in September, staff spent time reviewing and rewriting our school's behaviour policy. At Bishops Down Primary School and Nursery we value and promote behaviour for learning and playing safely together. In order to create an environment where children and staff feel safe, we will follow our behaviour policy which outlines consistent values, consistent language, consistent visuals and consistent responses.

Our policy is rooted in our ASPIRE values. Many of the strategies are underpinned by the work of Paul Dix – a respected behaviour specialist – in his book, 'When the Adults Change, Everything Changes: Seismic Shifts in School Behaviour'.

Our behaviour curriculum is underpinned by 3 easy to follow and understand principles:

Safe

Respectful

Learn

We have attached a parent's guide to the Behaviour Policy to this document for you to read. Further information will be available on the website.

Summer Reading Challenge

A huge thank you to those who took part in the Bishops Down Sponsored Summer Read. With your support, the PSA have raised a magnificent £924 for our school. Amazing news! Thank you! Year 1 won the award for the most number of children taking part in the event and Year 3 raised the most sponsorship money. Well done.

ASPIRE CERTIFICATES

This term we will be focusing on our school values—ASPIRE. Each Friday a child will be chosen to receive a certificate because they have demonstrated one of our school values. This week we have focused on the value—**Independence**

PARKING

Unfortunately, we have received a number of complaints from the school's neighbours regarding inconsiderate, and often illegal, parking by parents accessing the school in the mornings and afternoons, including parking across private driveways.

If you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours and other members of the community.

We appreciate your support in this matter.
