

**Dear Parents and Guardians,**

As we are racing towards the end of term, we have a reminder on government guidance for those with symptoms of coronavirus. The latest Government guidance can be found here:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

It is tempting to think with the ease of lockdown we are over the worst; however, the situation in Leicester this week has served as a reminder that the virus could take hold again if we do not remain vigilant. We are also aware of two local schools that have closed after members of their school community tested positive.

If your child is unwell with possible symptoms, please keep them at home and book a test. The results of the test then should be forwarded to the school for our records. If the result is positive then the school will contact Public Health England for advice.

**Final call for Y6 to advise the office by Thursday at 12noon that they wish to come back on Monday 6<sup>th</sup> July for all the outdoor games fun with Mr Milne next week!**

<u>Class Name</u>	<u>Teacher/s</u>	<u>Teaching Assistants</u>
Nursery	Mrs Ashley / Mrs Roberts	Mrs Mankelow, Miss Monk, Miss Saunders
Reception	Mrs Gale	Mrs Wood-Lynch, Miss Donegan, Miss Zeminian

Year 4	Mr George	Mrs Cockburn, Miss Bryan, Mrs Gillham
Year 5	Miss Greenwood	Mrs Lester, Mrs Baker, Mrs Rahman, Mrs Seale, Mrs Miller
Year 6	Miss Mackie	Mrs Richardson, Miss Frew, Mrs Miller
PPA & Pupil Premium groups	Mrs Bettles	

## Home Learners of the Week

### Year 2 Apple

**Amelie** is my home learner of the week. Every day she completes her tasks, either in school or at home, and tries her best with everything. Amelie has been working super hard on both her schoolwork and towards her badges for Rainbows and always does so with a big smile. Great work Amelie. **Mrs Parks**

### Year 3 Maple

My learner of the week is **Caitlyn**.

Caitlyn has worked incredibly hard throughout the entire process of home learning. She has worked consistently and independently to ensure she completes the home learning daily. There have been some lovely emails showing her work and what she has been up to. Well done Caitlyn, your hard work has not gone unnoticed. **Mr George**

**Casar** for consistently working hard and tackling most of the work each day (often all of the work). **Mrs Wilmshurst**

### Year 4 Hazel

**Rose** for working hard and consistently completing most of the work each day. **Mrs Wilmshurst**

Both **Ellary** and **James** have been trying so hard, they consistently send in a variety of learning and always have a go, I have been particularly impressed by their maths! They both also tell me about other things they have been doing and new skills they have learned (often accompanied by photos) and it has been lovely to feel so involved in their lives even though I haven't seen them for months. **Miss Greenwood**

### Year 5 Pine

**Kausar** for completing such a large amount of her learning every single day! Also, for presenting it so neatly and using her excellent computer skills to submit her work. Finally, for an excellent letter in topic, written from the perspective of a person moving from the countryside to a city, discussing the push and pull factors for the move. **Mr Milne**

**Clem** for being the only one in the class who completed the Monster Multiplication last week AND submitted it so that Mrs Wilmshurst could respond and comment. **Mrs Wilmshurst**

**All 'Home Learners of the Week' will receive a certificate and a sticker in the post.**
